Regarding accommodation for dogs

- 1 Please avoid leaving your dog unattended in the dog park as it may lead to trouble. Also, refrain from leaving your dog alone in the room while going out.
- 2 Outside of the premises (other than the room and dog park), please ensure your dog is wearing a collar and leash.
- 3 Please do not allow your dog in the bathroom, on the loft, beds, or futons.
- 4 If your dog tends to dig, please be mindful as this can damage the lawn.
- 5 Please help clean up your dog's hair using a lint roller.
- 6 Do not flush your dog's waste down the toilet. Please place it in the provided bag and dispose of it in the trash.
- 7 Please do not leave your dog's waste unattended in the dog park.
- 8 To avoid disturbing other guests and nearby residents, please refrain from using the dog park between 9:00 PM and 7:00 AM.
- 9 If your dog is in heat, please ensure they wear a diaper as a courtesy.
- 10 We ask that you limit the number of dogs to two per cottage.
- 11 Please be mindful of your dog's barking as it may disturb nearby residents.
- 12 If the dogs start barking and seem likely to fight, please leash your dog and either leave the dog park or return to your room to calm them down before re-entering the dog park.

Regarding BBQ

- 1 In case of rain or strong winds, please refrain from using the grill due to the risk of fire.
- 2 For stays longer than one night, we do not provide cleaning services for the grill or grill grates.
- 3 For safety reasons, bringing in BBQ grills,
- 4 shichirin (Japanese charcoal grills), or fire pits is prohibited.
- 5 Starting fires on the wooden deck, in the dog park,
- 6 in the parking area, or indoors is prohibited.

Please avoid burning non-combustible materials other than food items, as it may damage the grill.

Please refrain from using cooking equipment available indoors on the grill.

—How to Use the BBQ Grill—

1. Fill the water tray with water up to the MAX line using the kettle available indoors.

2. Attach the gas cartridges to the gas compartment on the back. (Make sure to attach two cartridges.)

3. While pressing the knob, turn it to the left and press the red ignition button in the center to ignite.
4. If ignition is difficult, use a long lighter.
5. No cleaning of the used grill is required. After use, simply remove the gas canisters.

How to Use a Bluetooth Speaker

Bluetooth Connection

Press and hold the [ON/OFF] button to search for Bluetooth connections. Pair your phone or device with "WOOD SHOW SPEAKERS" to connect. In Bluetooth mode, you can press this button to answer phone calls.

Qi Wireless Charging

The speaker uses Qi wireless charging technology. Simply place your Qi-compatible device or phone with a Qi-compatible cover on top to charge it.

Note: Qi wireless charging functionality requires a USB cable connection for operation.

AirPods and Apple Watch cannot be charged.
